

PROFESSIONAL SUMMARY

Early-career full-stack software engineer with hands-on experience building and supporting web, desktop, and database-driven applications. Comfortable working across Next.js, React, TypeScript, .NET Core, C#, PHP, Laravel, and Oracle PL/SQL. Project experience includes integrating fingerprint devices with Oracle, developing hospital and business websites, and deploying applications through Vercel and Netlify. Brings practical problem-solving, clear communication, and a steady learning mindset to junior software engineering roles.

TECHNICAL SKILLS

|                                                                                                                          |                                                                                                     |

## SELECTED PROJECTS

### Fingerprint Data Transporter

[GitHub](#) | [Demo](#)

.NET Core | C# | Windows Forms | Worker Service | Oracle

Receives fingerprint records from ZKT devices and exports them to an Oracle database through both desktop and background-service workflows.

### Beta Solution Website

[Live](#)

Next.js | React | TypeScript | Tailwind CSS | Oracle PL/SQL | Zod

Business website with an Oracle-backed, Zod-validated contact form; configured Hostinger DNS and Vercel CI/CD deployment.

### Mercy General Hospital

[GitHub](#) | [Live](#)

Next.js | React | TypeScript | Tailwind CSS

Responsive hospital website presenting services, facility details, contact information, and location access.

### Quick Notes

[GitHub](#) | [Demo](#)

Svelte | IndexedDB | Prisma ORM | Tailwind CSS

Everyday note-taking application with local data handling and a clean, responsive user interface.

### Photopia

[GitHub](#) | [Demo](#)

SvelteKit | Prisma ORM | Tailwind CSS | HTML5

Photo-sharing application where users can publish filtered images with accompanying text.

### Portfolio Website

[GitHub](#) | [Live](#)

Next.js | React | TypeScript | Tailwind CSS

Personal portfolio showcasing software projects, technical skills, and professional background.

## EDUCATION

### B.Sc. in Computer Science and Engineering

2020 - 2024

Ahsanullah University of Science and Technology

CGPA: 3.005 / 4.00

### Higher Secondary Certificate (Science)

2017 - 2019

Kabi Nazrul Government College

GPA: 4.42 / 5.00

## RESEARCH

### A Comprehensive Study on Bengali Music Genre Classification Utilizing Ensemble Approach

Mohammad Tanveer Shams, Syeda Farhana Ali, et al. | [View paper](#)

## CERTIFICATIONS

Backend Developer Internship - DeshIT-BD (2026)

Summer Internship Program - Meta Craftlab (2024)

Letter of Recommendation - Meta Craftlab (2024)

Mastering Svelte Fundamentals - [Verify](#)

Mastering SvelteKit Fundamentals - [Verify](#)
